UNDERWATER YOUTH MARCH TO FENWAY!

FRIDAY SEPT. 28, 2:30-4 PM

Invited schools includes:

MassArt, Wentworth,
Northeastern, Simmons,
Emmanuel, Emerson,
MCPHS, Harvard Medical
School

Media Coverage!

We will be doing a press
release and the media
will be invited!

Free Snacks!

We will be marching from Boston Latin School (78 Louis Pasteur Ave.) to the iconic Fenway Park at 2:30-4 PM.

Our goal is to raise awareness about rising sea levels as a part of CREW Week 2018 (Communities Responding to Extreme Weather). Be part of a coalition of students from local colleges and high schools to join our march! We all know that it will take collaboration and partnership to combat the challenges of extreme weather and climate change. Let's show our local government officials that the youth in the Fenway Area are already working together to advocate for change!
